

Dover School District

Dear Parent or Guardian:

The 2016– 2017 school year is upon us and Fresh Picks Café is pleased to once again manage your school's Food Service Program. Fresh Picks Café (a division of Café Services) is a locally owned and operated company dedicated to serving delicious, wholesome, quality meals that meet the latest nutritional guidelines. As a refresher, here are some of the features your children enjoy through your district's partnership with Fresh Picks Cafe:

1.) Menus:

Dover Middle School and **Dover High School** have the following stations offering a variety of daily lunch choices. **Signature Café** featuring "Home Made" Entrees, "Build it Bars" and "Tossed to Order" Entrée Salads; **Market Fresh** which features a daily selection of Entrée Salads as well as Fruit and Yogurt Parfaits; **Pizza** featuring quality Fresh Baked Pizza made with whole grain dough and low fat cheeses; **Café Express** offers Hot "Grab and Go" Sandwiches and the **Deli** serves "Made to Order" Deli Sandwiches.

Woodman Park, Garrison and **Horne St. Elementary Schools** offer a wide selection of choices each day that include items such as **Market Fresh Salads & Yogurt Parfaits**, the **Signature Café Entrée** of the day and a **Downtown Deli Sandwich** option.

Additionally, the cafeterias will be open prior to school each day to provide a complete nutritious breakfast featuring a wide range of hot and cold breakfast meal options. All breakfasts are accompanied by a variety of fruit selections to enable students choose a full, healthy meal to start their day.

To help students understand what constitutes a full meal, our innovative **Strive for Five** program features signage and color coded items in the cafeteria to help students make choices that are nutritious, balanced and stay within USDA standards for a full meal.

2.) Meal Assistance Program: The meal assistance program is a federally funded program that provides reduced and free meals to families that meet USDA income guidelines. Please contact your school administrative office or the food service director to obtain an application. Complete the application (only one application per household is required) and return it to your child's school. You will then be notified of the benefit level for which you qualify. You can apply or reapply at any time during the school year should your financial situation change. The program is operated in strict confidence and all students go through the same checkout process in the cafeteria eliminating any distinction between students that are participating in the meal assistance program and those who are not.

Students on Meal Assistance Programs are entitled to a full meal from any of our stations at breakfast and at lunch. Snack items such as snack milk or snacks are available to all students for an additional charge.

3.) Automated Point of Sale System: The Dover School District has an automated point of sale system from "**LunchBox**". Parents will have 2 methods to fund their student's account.

Option 1. You may set-up an online account using a Credit/Debit card to make deposits into your child's account. In addition to providing you with a secure online payment option, the system will allow you instant access to details on what your child is purchasing in the cafeteria, as well as other convenience features such as automatic low balance alerts. This automated system will help increase the speed of service and allow students additional time for a more relaxing dining experience. You can sign up for an online account at Myschoolbucks.com. Dover School District is listed under SAU 11 Dover School Department. Instructions for setting up your online account are available in print from your Food Service Director and posted on the Fresh Picks Cafe website.

Option 2. You may send a check with your child made payable to the **Dover School Lunch Program**. Please make sure to include the child's name in the memo line. We encourage parents to either utilize the online payment method or to send in a check – cash can also be accepted, but is discouraged at the elementary school level.

Prepaid monies deposited by either method can be used for any purchases in the cafeteria, but at any time parents may contact the school food service supervisor and request that prepaid monies be used only for full meal purchases.

4.) **Credit Procedure:** It is the responsibility of students, guardians and parents to ensure that their child's lunch account is adequately funded or they have daily cash payment if they intend on participating in the National School Breakfast or Lunch Program.

The Food Service department will notify students and parents/guardians when student accounts are low or in deficit so that their account can be replenished. Notification may be made verbally or in written form via e-mail or printed letter. If the account is not replenished after notification, an alternative meal may be offered to the student and the cost of the meal will be added to their account. Charging of snack items will not be allowed.

5.) **Student Allergy / Special Needs Identification:** If your student has a medically documented food allergy or special need when it comes to food, your food service director will work closely with the school nurse and other personnel to ensure that your child's specific needs are met. Please contact your Food Service Director with details.

6.) **Menu Distribution:** Please follow the link on your school district's website to visit the Fresh Picks Café website. There you will find menus, newsletters and a host of other information about your new food service provider. Schools may also choose to send printed menus home directly.

7.) **Local Purchasing & Green Initiatives:** Fresh Picks Café has a robust local purchasing policy, and buys from local farms and food producers as much as possible. We are a strong supporter of the Farm to School initiative. We are also active in recycling and composting efforts. We are always looking to build new relationships with local farmers and environmentally conscious groups – please feel free to contact your food service director.
